18th of December 2007.

Dear Majella and members from the Arklow Sea Scouts,

I would like to say a **VERYBIG THANK YOU** for holding the 48 hour sponsored "Afloat" and raising €1,650 for CanTeen Ireland. Please be assured that this money will go a very long way in helping us to continue with our primary aim of supporting young people who have or have had cancer.

This year we published our new edition of "What's Going on - A Guide for Teenagers with Cancer". This book will be very beneficial to newly diagnosed young people with cancer. We also brought 40 of our members to Alton Towers in September, and had a fab weekend!

Please convey our thanks to all of the scouts who participated in this event. Well Done on a fantastic achievement. I have enclosed a copy of our newsletter and you will be acknowledged in our next one!

Once again thanks a million.

Yours sincerely,

Evelyn Griffith,
Group Co-ordinator.
